CREATIVITY IS OUR FUTURE

Explore the future with Creative Media at Futurism 2020: the annual Murdoch Open Showcase. Students, friends, family, industry professionals and the general public are invited to experience the talent, vision, and perseverance of our Creative Media students. 2020 has presented many challenges however our students have looked towards the future with a sense optimism. Immerse yourself in their creative works including short films, photographic works, written pieces, video games, theatre performances, publications, app and web designs, strategic communication campaigns and so much more. Join us to celebrate their outstanding accomplishments and enjoy a night of fun as a long year comes to a close.
